Burlington N. J.
Septr 12th 1828.

My Dear Sir,

I now write to fulfil the promise which I gave you, — that I would transmit to you by this days post, my final answer, respecting the offer which has been made me, of an appointment, for one year, to the office of an Assistant Minister in the United Churches in Philad.

I beg leave to say, that I have come to the following determination — the only one, at the present moment, according to my apprehension, consistent with prudence — namely, That I would do myself the honour, if agreeable to the parties concerned, to supply the vacant Office, under consideration, for four Sundays; viz. the 16th 17th 18th & 21st Sundays after Trinity; and hold myself bound to any conclusively, at least a week before the expiration

Wm Meredith Esqr

of this term, whether I could accept the said

offer, or not.

With the utmost regard & respect,

I am,

My dear Sir,

Yrs most truly,

H Chaderton.
